

Membership application form
FORWARD Belgium 2024 - 2025

01/03/2024 - 28/02/2025

Dear Sir/Madam,

First of all we would like to thank you for your interest in our association and its activities.

Please find enclosed the documents required for a FORWARD Belgium **membership application**. They need to be filled out and signed and the following documents need to be enclosed:

- Copy of the forwarding licence / customs representative.
- Certificate of incorporation (extracts from the commercial register or from the annexes of the Belgian Official Gazette).

The filled out and signed documents, together with the membership form and the administrative data, must be returned to our secretariat:

FORWARD Belgium

Brouwersvliet 33 / Bus 1

2000 Antwerpen

vanessa@forwardbelgium.be

Following receipt of the required documents and annexes, your application will be submitted to the managing body for assessment, after which - after approval - you will be invited to pay the contribution.

The contribution for the year 2024-2025 (01.03.2024-28.02.2025) is composed of a one-time entry fee of EURO 620 and a fixed amount per company per year depending on the number of white-collar workers:

- 1 - 5 white-collar workers: EURO 1.700
- 6 - 10 white-collar workers: EURO 2.100
- 11 - 15 white-collar workers: EURO 2.500
- 16 - 20 white-collar workers: EURO 2.900
- 21 - 30 white-collar workers: EURO 3.300
- 31 - 40 white-collar workers: EURO 4.100
- 41 - 50 white-collar workers: EURO 4.600
- +50 white-collar workers: EURO 5.400

We base this on the number of white-collar employees, as stated in the most recent publication of the social balance sheet.

(These contributions are always revised at the general meeting in February.)

A separate membership fee scheme has been drawn up for companies belonging to a holding structure. Please contact the secretariat for more information.

We also regularly receive requests from (foreign) customers who are looking for a forwarder / customs representative. In the past, we were always forced to refer them to the entire membership list. To provide better answers to such questions, we developed a '**Members Directory**' which can be consulted on our website. Potential customers can use a search function to enter their needs and thus obtain an overview of forwarders/customs representatives that meet their needs.

If your company wishes to use this platform, please return the form in question to the secretariat. Obviously, complete neutrality is guaranteed.

Of course, we are always happy to provide additional information.

In anticipation of the required documents, we remain.

Kind regards,

Olivier Schoenmaeckers
Director FORWARD Belgium
